

ANNUAL MEETING & SPORTING CLAY EVENT SCHEDULED FOR FEBRUARY 11, 2021

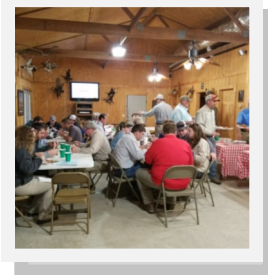

The 2021 SCCSA Annual Meeting, Awards Banquet and Sporting Clay Event is currently scheduled for Thursday, February 11, 2021.

Hopefully by the end of 2020 the virus situation will have improved, and as far as having events and meetings, they be might conducted a little more like normal.

The meeting format will be adjusted as necessary, and masks will be required for any indoor or close contact. Weather permitting, we will utilize the outdoors for registration and seating for the meeting and speakers. Other adjustments will have to be considered and implemented for meals and awards.

Registration for shooters will begin at 2:00 PM with the shooting event starting when teams are assigned. Winners with the top three scores will receive cash awards.

Following the shooting event, the SCCSA Annual Meeting and Awards Banquet will take place. Please plan on joining us for this celebratory time and annual business meeting of YOUR association. Registration forms will be coming in our final 2020 newsletter in December. SPONSORSHIP information located on page three of this issue.
